

Hello and Welcome to OLPH!

I am Kara DeOliveira, President of the school's Home and School Association (HSA). The purpose of the HSA is to maintain and improve communications between parents, faculty, and administration, as well as contribute to the financial support of the school. The HSA also serves as the central organizing group for parent volunteers and class designated room parents.

By now you have received a substantial amount of information from the school. We understand that this information can be overwhelming and confusing and would like to help you decipher things. The HSA is here to answer all of your questions and help make the transition as seamless as possible.

Every home room has designated room parents. One of your child's class's room parents will be contacting you in the very near future. They will help familiarize you with our school's policies, guidelines and rules. They will discuss Shield Certification, the Script program, the Family Service Plan, uniforms, etc. Please feel free to ask questions. All of our room parents have been in your shoes before and are a wealth of knowledge when it comes to navigating our school.

Presently, I have two young children attending OLPH. We love our OLPH family and are confident that you will feel the same way. I strongly encourage you to get involved and participate in school activities. Getting involved allows you to meet your child's classmates, their families, other school families, teachers, and staff. These relationships foster bonds that will enrich your family's experience at OLPH and help nurture a close relationship with our school community.

Please feel free to contact me at hsapresident@olphschool.org if you have any questions. I am here to assist you in any way possible. We are thrilled that you chose our school and we look forward to making wonderful memories for you and your family.

Kara DeOliveira
OLPH HSA President
