History of Our Lady of Perpetual Help School

The first school opened its doors on September 15, 1879 in a house on Thistle Road under the care of Mary Carey of Baltimore who was known for her charity. Twenty-four children were enrolled in this school. The school was staffed by lay teachers and operated until 1910 when it closed for lack of students. At that time, the children were taken by parish bus to St. Paul’s in Ellicott City and later to

St. Mark's in Catonsville.

When the number of parishioners and school age children began to increase, the school was reopened. In 1946 a four-room school was established in the Lower House, which also housed the parish church. Six Sisters of Notre Dame de Namur arrived to instruct forty-seven students.

Fund raising began on July 9, 1955 to purchase the Macklin property, a twenty-eight-acre parcel of land on Ilchester Road. On August 4, 1957, shortly after the property was purchased, Archbishop Keough granted permission for the construction of a one-story, four-classroom school with a basement for a temporary church. On September 2, 1958 the Pastor, Rev. Maurice Mc Donald, celebrated the first Mass in the new building, which was formally blessed and dedicated by Archbishop Keough on December 7, 1958. Mass was celebrated in the school hall until the dedication of the present church in November 1985.

In the 1960's the parish continued to grow and, under the direction of the Pastor, Rev. Joseph Comyns, a second floor was added to the school and the hall extended with a kitchen in the rear during 1963 and 1964.

The Parish Center was completed in February 2005. The Parish Center houses a gymnasium, Preschool, classroom, meeting rooms, kitchen, and storage. In 1972, the Sisters of Notre Dame de Namur found it necessary to withdraw from the school. The Pastor, Rev. Lawrence Lover, approached the Franciscan Sisters of Sylvania, Ohio to staff the school. The first community of Franciscan Sisters arrived June 25, 1973, and sisters remained on the school staff until July 1, 1989. On July 1, 1996, after 103 years of faithful service, the Redemptorists turned Our Lady of Perpetual Help Parish over to the Archdiocese.

Today, under the leadership of the Pastor, Father Mike Triplett, Our Lady of Perpetual Help Parish continues to sponsor the school as an important part of its Catholic formation ministry. The school is staffed by lay administrators and teachers.

Since 1980, Our Lady of Perpetual Help School has been accredited by the Middle States Association of Colleges and Schools. It was re-accredited in 2016 by AdvancEd.

Accreditation

OLPH School is accredited through AdvancEd, a private organization that conducts rigorous, on-site external reviews of Pre-K-12 schools and school systems to ensure that all learners realize their full potential.

Academics

Promotion and Retention

Students are promoted to the next grade upon successful completion of all subjects in a given year. Students who do not successfully complete the required educational program may be retained at the current grade level. This decision is made by the principal in consultation with the parents.

Graduation Requirements

Before any student may graduate from OLPH School, all required work and testing must be completed. If a student fails a single subject, he/she may attend the graduation ceremony, but will not receive a diploma until after the summer school/tutoring requirement has been met. Tuition and all other fees must be paid in full. Promotion will not be granted until the requirements are met, and records will not be forwarded to the high school.

Honor Roll

In grades 6-8, an honor roll and principal's list exist to honor students whose work demonstrates excellent academic achievement, as well as exemplary behavior and effort. Students receive the honors based on the following criteria:

- Principal's Honor Roll – All A's and Good or better in all special classes, standards, effort, and conduct including unstructured time.
- Second Honors – all A's and B's (more A's than B's) and Good or better in all special classes, standards, effort, and conduct including unstructured time.

Interim Reports and Parent-Teacher Conferences

Report cards are distributed to students three times a year. Interim progress reports are issued at mid-trimester for all students in Grades PK-2.

Parents/guardians of students in Grades PreK-8 will be issued a User ID and password to access PowerSchool, an Internet-based student information system. Parents/guardians of students in grades 3-8 will use the account to access to the student's grades throughout the year.

In the fall, school will be closed for parent teacher conferences. All parents/guardians of students in primary grades and new students of all grades are asked to attend. Other parents/guardians are also invited to schedule a conference.

Parent conferences are scheduled upon request for all students as needed throughout the school year. Parents are notified of possible subject failure for the year early enough for arrangements to be made for summer remediation.

For students in Grades 3-8, major subjects are language arts, math, social studies, science, and religion. For students in Grades 1 and 2, major subjects are language arts and math.

Report cards are distributed to students three times a year. Interim progress reports are issued at mid-trimester for all students in Grades PK-2.

Testing Program

OLPH School follows the Archdiocesan program for testing achievement and aptitude. Students in grades two through eight are given the Iowa Test of Basic Skills (ITBS) and the Cognitive Abilities Test (CogAT) in the spring of each year and parents receive test results at the end of the school year.

Students in Grades 5 and 8 participate in the NCEA ACRE program, which is used in religious education to assess faith knowledge, beliefs, behaviors, attitudes, and practices. This test is administered in the fall. Parents/guardians are strongly discouraged from taking family vacations during the testing periods.

Religion Curriculum

Core Program

The Religion Program develops in students an attitude of prayer throughout their daily experiences. It fosters the knowledge and appreciation of the Gospel of Jesus Christ and the richness of Catholic teachings. The school's objective is to bring the student closer to Jesus Christ through traditional prayers, daily religion classes, Eucharistic liturgies and prayer services. Peace and justice issues, mission awareness, and service projects are an extension of the religion program.

Family Life

In compliance with the Archdiocese of Baltimore, a family life program is implemented on all grade levels. It is designed to provide parents and teachers with the resources, which offer children a guided, consistent, and faith-filled approach to human sexuality. The approach is holistic, taking the total development of the child into consideration and highlighting Christian values, attitudes, and moral principles. In addition, safe environment updates have been added to the family life curriculum at the direction of the Archdiocese.

Sacramental Program

Preparation for the reception of the sacraments is the primary responsibility of the parents in cooperation with the parish Catholic Formation Ministry, including the Director of Religious Education and the Youth Minister.

Parents must attend all sacramental preparation meetings. Students in Grade 2 prepare for the sacraments of Holy Eucharist and Reconciliation.

Liturgies

Students participate actively in weekly Eucharistic liturgies, and in prayer services. Parents are always welcome to attend our school Masses at 9:30 a.m. on Thursdays. Students also attend Eucharistic Adoration.

The Marian Program

The Marian Program is designed to enable students with learning differences to continue their Catholic education at Our Lady of Perpetual Help School.

Although the primary aim of the program is to assist students with language-based learning differences such as mild to moderate dyslexia and dysgraphia, students with diagnosed difficulties in math may be enrolled in this program as well. Students entering Grades 3-8 who have had recent educational and/or neuropsychological testing and have been diagnosed with learning differences may be enrolled in the program.

The program is overseen by a Director who works in close collaboration with the school administration, teachers, and parents. The Director prepares a Student Action Plan for each child, which includes accommodations and modifications based upon testing. Tutoring may take place within or outside of the school day for students in the program.

The program is funded through grants and gifts, as well as by additional fees paid by parents of students in the program. There is a separate charge for tutoring.

Parent-Teacher Conferences

Impromptu encounters between teachers and parents coming in for volunteer or other purposes can lead to unsatisfactory discussions. In order to allow teachers to prepare, parents wishing to meet with a teacher must make arrangements for a conference in advance. Problems should be discussed first with the teacher involved. If there is a need to have a conference with the Principal, an appointment must be made through the school office.

High School Admissions and Visitation Policy

Eighth grade students and families receive support and guidance for high school admission from the school. Information on the admissions process is provided at Back to School night. Students are permitted two days of excused absence to attend shadow days at a prospective high school – parents should alert 8th grade teacher and front office when dates are scheduled. Seventh grade students are discouraged from scheduling shadow days and are not excused. Students attending leadership conferences held by high schools are excused.

Student Records

Student records are maintained in the school office or a designated administrative area. Access to records is governed by the Records Policy.

Records Policy

OLPH School complies with the Family Educational Rights and Privacy Act (FERPA), which is a Federal law that protects the privacy of student education records. In general, FERPA gives parents certain rights with respect to education records. (The rights granted to parents under FERPA automatically pass to the student when the student turns 18 or enrolls in college.) These rights and related procedures of OLPH School are as follows:

- Parents have the right to inspect and review the student's education records maintained by the School. Parents should submit to the principal a written request that identifies the record(s) they wish to inspect. The School will make arrangements for access and notify the parent of the time and place where the records may be inspected.
- Parents have the right to request that the School correct records they believe are inaccurate, misleading, or otherwise in violation of the student's privacy rights. Parents who wish to request an amendment of the student's records should write to the Principal and clearly identify the part of the record they believe is inaccurate or misleading and the information they believe should be included in a corrected record. If the School decides not to amend the record as requested, the School will notify the parent of the decision and the parent's right to request a hearing.

Parents generally have the right to consent in writing to disclosures of information from a student's education record. However, there are certain exceptions to the consent requirement, including disclosures under the following conditions:

- To School officials who have a legitimate educational interest in the information. A school official is a person employed by the School or the Archdiocese as an administrator, supervisor, instructor, or support staff member (including health or medical staff); a person or company with whom the School has contracted to provide a service (e.g., attorney); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks. A school official has a legitimate educational interest if the

official needs to review an education record in order to fulfill his/her professional responsibilities or duties to the School.

- To other schools to which a student is transferring.
- In connection with financial aid under certain circumstances.
- To specified officials for audit or evaluation purposes.
- To organizations conducting certain studies for or on behalf of the school.
- To accrediting organizations.
- In order to comply with a judicial order or lawfully issued subpoena.
- To appropriate officials in cases of health and safety emergencies.

The School also may disclose appropriately designated "directory information" without written consent unless a parent objects in writing. The primary purpose of directory information is to allow the School to include this type of information in certain publications. Examples of such publications include a playbill, showing the student's role in a drama production; the annual yearbook; honor roll or other recognition lists; graduation programs; and sports activity sheets.

The School has designated the following as directory information:

- Student's name
- Participation in officially recognized activities and sports
- Address
- Telephone listing
- Electronic mail address
- Photograph
- Honors and awards received
- Grade level

Parents who do not want the School to disclose the above directory information without their prior written consent must notify the principal in writing by the deadline on the directory form given during the first week of school.

A log must be maintained of each request for access to and each disclosure of educational record information other than disclosure to parents or students 18 or older or school officials. The log should contain the name of the person(s), the date, and the legitimate interests the person had in requesting or obtaining the information.

Parents have the right to file a complaint with the U.S. Department of Education concerning alleged failures by [insert school name] to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-8520.

General Information

Home and School Association

Many of the student activities are made possible through the total commitment and tireless efforts of the OLPH Home and School Association (HSA).

The OLPH Home and School Association is comprised of parents, faculty, and staff. The Home and School Association Executive Board meets on a monthly basis. Approximately two general meetings are held during the school year. At least one adult from each family is expected to attend these meetings.

The Home and School Association strives to maintain and improve understanding between parents, faculty, and administration of OLPH School and contributes to the financial support of the school.

The Home and School Association acts as the central organizing group for parent volunteer activities. Parents are recruited through the Home and School Association's volunteer sign-up at the beginning of the school year. Each homeroom has Room Parents to help coordinate activities, which the class plans over the school year. Parent volunteers assist teachers during school hours or work at home.

The family service plan, explained previously, was adopted to encourage participation by members of every school family in school activities. We welcome active and frequent family participation in the life of the school as it is an integral element in the success of every child.

Virtus Online

The Archdiocese of Baltimore, through its Virtus Online, sets requirements for all faculty and staff, as well as all school volunteers, designed to protect children. All paid school employees must be fingerprinted and have criminal background checks through the FBI and CJIS. All volunteers must submit applications and three references, which are checked in writing. Volunteers must sign a consent form for a criminal background check online. Faculty, staff, and volunteers must complete an online training session and read the Archdiocesan policy and code of conduct manuals. Completion of the online training session is only one step in the process, and parents must complete all additional documentation through the Virtus process to become certified.

Only individuals certified through the Virtus Online process may volunteer in the school in any capacity and chaperone field trips. The entire process must be completed before any volunteer activity may take place. More information may be obtained from the school office, the Virtus Online site (<http://www.virtusonline.org/>) or go to www.archbalt.org and click on Child and Youth Protection.

Family Directory

A directory of all families enrolled at OLPH School is provided at the beginning of the year for contact between and among families.

Partnership with Parents

In enrolling your child in a Catholic School, you agree to certain important responsibilities. These include:

1. to be a partner with the school in the education of your child
2. to understand and support the Catholic mission and identity of the school
3. to read all communications from the school and to request clarification when necessary
4. to know who your child's teachers are and to observe parent-teacher conference dates and any special requests for meetings
5. to discuss concerns and problems with the person (s) most directly involved
6. to be as actively involved as you can be in the life of the school and to volunteer assistance when possible
7. to promote your school and to speak well of it to others
8. to meet your financial obligations in a timely manner and to support the fundraising efforts of the school when possible
9. to appreciate that Catholic education is a privilege that many persons do not have

Parent Support and Compliance

In cases of serious or repeated noncompliance by a parent with school policies or procedures, the administration reserves the right to withdraw that parent's child/children from the school.

Photo Release

Sharing photos and videos of student activities and school events is a wonderful way to show school families and our community the interesting activities and fruitful work that happens at OLPH School throughout the year. Images will be shared on social media, included in marketing material, and posted on our website unless a parent opts out. Students are identified by name only when they earn an award or have a noteworthy accomplishment. To opt out of either photo/video use or having your child's name included for an achievement, contact the Development Office at phewat@olphschool.org by September 9.

We seek to balance the accommodation of photo restrictions while still providing well-deserved recognition of other students in a group setting. Therefore, please understand that disallowing your child to be included in school-related photos/videos means they will be politely asked to step aside when a group photo is taken for external use. This includes students involved in choir, drama, service projects, academic competitions, field trips, sports, band, etc. Photo restriction also impedes our ability to share events via live streaming.

Families and friends of OLPH School may “Like” Our Lady of Perpetual Help School on Facebook, join the OLPH Parents Page (a closed group), and follow us on Twitter @OLPHschoolMD for frequent posts on school activities.

This Photo Release supersedes all other documents and online forms.

Acceptable Use Policy for the Internet and Technology Tools

Technology skills are necessary to ready our students for their future. Access to the Internet and technology tools (including software tools, web-based applications and services, computer equipment, I-Pads, and other personal electronic devices) allow students to conduct research, produce digital content, and communicate with classmates and teachers. The Internet and technology tools put enormous power at the fingertips of users. As such, they also place a great deal of responsibility on users.

It is imperative that technology resources be used to build community, encourage critical reflection, and foster readiness for future learning. Developments in technology at the School are to be used ethically, legally, and responsibly. As in other areas, our students are expected to make good choices with regard to their behavior.

Individual users are responsible for their activity on the Internet and technology tools, including the material stored and information shared. In order to protect private and personal information, unauthorized disclosure, use, or dissemination of personal information is prohibited. The School reserves the right to edit Internet accounts for child-only configurations, and to run filtering software for students’ protection.

The purpose of this policy is to ensure that student users (and their parents) recognize the limitations the School imposes on the use of the Internet and technology tools and that they understand the standards of behavior the School expects of users.

All users of the School network and technology tools, whether on a School-owned or personal device, are responsible for adhering to the following guidelines for acceptable use.

Acceptable uses of the Internet and technology tools are for authorized academic and school-related activities that support learning and teaching and:

- Respect the privacy and property rights of others and the well-being of the School
- Are consistent with Roman Catholic values and morals
- Treat technology tools and computer equipment with respect.

Unacceptable uses of the Internet and technology tools include but are not limited to:

- Violating the rights or privacy of others, including by photographing or filming an individual without consent
- Posting or distributing videos or photographs without consent of the persons depicted and the School
- Using technology to send profanity, obscenity, or other offensive or harmful language

- Unauthorized copying, downloading, or installation of content, software or applications (including plagiarism or “pirating” music)
- Sending false information or sending messages to the School community that fail to identify the sender (including anonymous messages or messages using a pseudonym)
- Using any program designed to disrupt network performance or breach network security, such as software designed to capture passwords or break encryption protocols
- Revealing personal information beyond what is required for login while using Internet or web-based resources
- Responding to inappropriate messages from others (which should be reported to the School)
- Downloading or copying information onto disks or hard drives without prior teacher approval
- Accessing, downloading, storing, or printing files or messages that are inappropriate or may be offensive to others (including pornography and other inappropriate images)
- Sharing of passwords or attempting to discover another’s password (passwords should be changed frequently)
- Using or accessing another’s account (network accounts are to be used only by those for whom the account has been established)
- Intentionally writing, producing, generating, copying or introducing dangerous codes or programs designed to cause harm, including, but not limited to viruses, bugs, 'worms', etc.
- Intentionally damaging, altering, or tampering with any hardware, software, printers, keyboards, speakers, etc.
- Accessing or searching files, directories, or folders for which the user does not have authorization
- Intentionally erasing, renaming, or disabling of anyone else's files or programs
- Accessing social media, email, or other off-task websites or apps during school without explicit permission of a teacher or adult supervisor
- Violating School conduct rules or the law.

Harassment/cyber-bullying of others online, whether against a student, non-student, or employee, is serious, is prohibited, and is contrary to the School's policy and values. Harassment/cyber-bullying whether it is initiated on campus or off campus, online or in person, should be reported immediately to a faculty member, and may lead to disciplinary action and possible criminal prosecution under Maryland's law prohibiting the Misuse of Interactive Computer Service ("Grace's Law").

Parents are responsible for:

- Reviewing and discussing this policy with their child as well as supporting the School in its enforcement
- Partnering with the School in monitoring their child's technology use
- Modeling appropriate Internet behaviors for their child
- Reporting any concerns regarding this policy or their child's use of the Internet or technology tools to school personnel.

- Students and Parents are required to sign the OLPH School Acceptable Use Policy before using technology in the school.

Failure to adhere to the policy guidelines may result in a revocation of a student's Internet access and other technology privileges and disciplinary action up to and including suspension or expulsion. Any damage done to school devices will be replaced by the family as directed by school administration.

Web-based Services

The School uses Google Apps for Education as well as other web-based education tools, sites, and services (“web-based services”) to provide students with important web-based educational experiences and enhanced opportunities to communicate and share collaboratively with one another. As part of students’ use of web-based services, certain educational records may be created, collected, or stored. Directory information, such as a child’s name, email address, grade/age, and enrollment status, may also be shared with web-based services. The School may access, monitor, and review children’s use of web-based services and Internet use and children shall not have any expectation of privacy with respect to any communications or activities through such services. Use of web-based services is for educational purposes only and subject to the conduct and acceptable use guidelines set forth in this Handbook. A list of the School’s web-based services and corresponding privacy policies are available upon request. By enrolling a child in the School, the parent consents to the child’s participation in the School’s academic activities and programs, including the child’s use of and access to web-based services as described in this paragraph. In order to withhold or withdraw consent for the use of web-based services, parents must contact the school principal in writing.

Crisis Intervention Plan/Crisis Team

OLPH School conducts fire drills following the directives of the Howard County Fire Department. Other types of emergency drills, such as severe-weather drills or lock-down, are conducted periodically. Plans are on file with each teacher

Change of Address, Name, or Family Status

If there is a change in the address, family status/or the change of a child’s name, it is important that the school be informed promptly of the change. In case of a change of custody, a copy of the portion of the court order that describes the custody arrangements must be on file with the school.

Emergency & Weather-Related Closings/Delayed Openings

In the event of snow or other inclement weather, OLPH School follows the decisions of the Howard County Public Schools System on closings, late openings, and early dismissals. The decision of the county will typically be posted early in the morning on their website, www.hcpss.org, and an email communication will be sent from the school.

If OLPH finds it necessary to close school or cancel an event when the Howard County Public Schools are already closed or not involved in the event, please check the school website (www.olphschool.org), and a mass e-mail message will be sent if possible.

Communication to Parents

In the best interest of students, the school welcomes and encourages communication between parents and teachers. Whenever a situation occurs that causes concern, the concern should be addressed first at the level at which the situation arose. Teachers are seen by appointment. Please contact them directly by email or phone to schedule a mutually convenient time to meet.

Parents whose phone numbers are unlisted must give the school either the unlisted number or a number where the parent(s) can be reached. It is essential that the school have this information in case of emergency. It will be kept in the strictest confidence. Any change of phone number or home address is to be given to the school office and homeroom teacher in writing within one week after change is effective.

Frequent emails are sent containing updates from the Principal, teachers, and HSA, in addition to physical White Envelopes, twice a month. Envelopes are given to the youngest child in each family and are to be signed and dated by the parent/guardian and returned to school the next day. The school web site, www.olphschool.org, is an excellent source of all types of school-related information. The school will also use the mass email notification system as a non-emergency listserv and in emergency situations.

Non-Custodial Parent

Emergency card information for each child is to be kept current. Children will only be released to the person(s) designated on the emergency card, unless otherwise instructed by the custodial parent/guardian.

Non-custodial parents are welcome to review their child's records unless there is a court order or legal agreement prohibiting such access. The school may notify the custodial parent of a request to review records.

OLPH School does not allow a non-custodial parent physical access to his/her child during school hours or on school premises unless the custodial parent has consented, or the school has a court order permitting access.

SwiftK12

School communications are done through SwiftK12, a subdivision of PowerSchool. Families should make sure their family information is up to date to ensure timely and effective communication from the school. Please contact the front office for any help in changing information.

Harassment Policy

Harassment or abuse of any kind is not acceptable behavior at OLPH School and will result in disciplinary action up to and including suspension/expulsion.

Policy

It is the policy of the Archdiocese to prohibit discrimination, including harassment, on the basis of race, color, sex, national origin, religion, age, disability or handicap, gender identity or expression, or protected activity (i.e., opposition to prohibited discrimination or participation in the complaint process) in its education programs and activities. Each Catholic school shall adhere to this policy with respect to students. (Employees are similarly protected from harassment by a separate Archdiocesan policy.) A school is not required to adopt any rule, regulation, or policy that conflicts with its religious or moral teachings.

I. Scope

This policy applies to all students in Archdiocesan elementary, middle and secondary schools. The Archdiocese neither condones nor tolerates harassment of students at school, at school-related activities or functions, or in any school-related setting. Harassment of students, whether engaged in by other students, teachers, administrators, or others, is prohibited. Violation of this Policy is grounds for disciplinary action up to and including termination of employment or suspension or expulsion from school, depending on the nature and severity of the offense and the individual's disciplinary record.

II. Prohibited Conduct

- a. For purposes of this Policy, "harassment" means verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of his or her race, color, sex, national origin, religion, age, disability or handicap, gender identity or expression, or protected activity, that:
 - i. Has the purpose or effect of creating an intimidating, hostile or offensive environment;
 - ii. Has the purpose or effect of unreasonably interfering with an individual's academic performance; or
 - iii. Otherwise adversely affects an individual's educational opportunities.
- b. Harassing conduct includes, but is not limited to, epithets, slurs, negative stereotyping, or threatening, intimidating or hostile acts that relate to race, color, sex, national origin, religion, age, handicap or disability, or gender identity or expression. "Sexual" harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when submission to or rejection of such conduct is used as the basis for educational decisions or has the purpose or effect of unreasonably interfering with an individual's academic performance or creating an intimidating, hostile or offensive environment.

III. Procedure

- a. Any person who believes that a student is being subjected to harassment should immediately report the harassment to any one or more of the following individuals: the student's teacher, the principal of the school, the Superintendent of Catholic Schools.
- b. Individuals are encouraged to report harassment early, before it becomes severe or pervasive, so that preventive action can be taken. All complaints will be investigated promptly, thoroughly and impartially, and will remain confidential to the extent possible.
- c. Any retaliation, reprisals, or intimidation, whether by the alleged harasser or from another source, directed toward the complaining party or anyone else as a result of the filing or investigation of a harassment complaint is considered a serious violation of this Policy and should be reported immediately.
- d. Once the investigation is complete, the school will take immediate and appropriate corrective action when it determines that this Policy has been violated. The complaining party and the complained-of party will be advised of the investigation's findings and conclusions. A report of the findings will be forwarded to the Department of Catholic Schools.

Bullying Policy Statement

Bullying, harassment, or intimidation of any student on school property or at school-sponsored functions or by the use of electronic technology is prohibited in all Archdiocese of Baltimore Schools. Such behaviors are contrary to school life in a Christ-centered community, which respects the dignity and uniqueness of all of God's children. To foster a school environment where all students are educated in a safe and caring atmosphere, all Archdiocesan schools will follow established procedures for bullying prevention, intervention and response.

Discrimination and harassment of students on the basis of race, color, sex, national origin, religion, disability or handicap, gender identity or expression, are also addressed under the Archdiocesan Student Harassment Policy in the Code of Conduct. Suspected abuse or neglect of students is addressed under the Policy for the Protection of Children and Youth.

“Bullying, harassment, or intimidation” means intentional conduct, including written, verbal, or physical conduct or an intentional electronic communication, that:

- a. Creates a hostile educational environment by substantially interfering with a student's educational benefits, opportunities, or performance or with a student's physical or psychological well-being and:
 - i. Is motivated by an actual or a perceived personal characteristic including race, national origin, marital status, sex, sexual orientation, gender identity, religion, ancestry, physical attributes, socioeconomic status, familial status, or physical or mental ability or disability; or
 - ii. Is sexual in nature; or

- iii. Is threatening or seriously intimidating; and
- b. Occurs on school property, at a school activity or event, or on a school bus, or substantially disrupts the orderly operation of the school.

Electronic technology means a communication transmitted by means of an electronic device, including a telephone, cellular phone, computer, pager, etc.

Retaliation means an act of reprisal or revenge, i.e., getting back at a person for an act he/she committed (such as reporting misconduct).

Reporting forms are located in the main office and on the school's website.

Transportation Procedures

The school assumes no responsibility for carpooling. The majority of students are transported by car and bus, which are provided by the Howard County Public Schools. Route information is posted in the back of church and on the school doors around the third week of August. If a parent/guardian wants to request occasional permission for a student to ride a bus other than the one assigned, a note must be sent to the child's homeroom teacher and forwarded to the office so that a copy may be made for the bus driver. Parent/guardian should also send a note to the homeroom teacher if a student who is normally a bus rider will be a car rider on a particular day. Students are not permitted to walk home if they miss a bus.

Bus Regulations

It is extremely important that students obey bus regulations. Minor offenses will be handled by the driver and reported to the Principal. Serious and/or persistent offenses will result in suspension from riding the bus.

- The driver is in charge of the bus. Students must obey him/her promptly and courteously.
- Students must be on time to meet the bus; the driver is not expected to wait.
- Students must not extend any part of the body or any object out the window.
- Rough play, loud talk, profanity, and vulgarity are prohibited on the bus.
- Food and drink are not allowed on the bus and students are not to litter on the bus.
- Students will be held responsible for defacing/damaging the interior or exterior of the bus. Parents are financially responsible for damages. The Howard County Public School System has issued a specific list of costs for replacement and repairs of damage to buses caused by students, should such damage occur.
- Smoking or firing any combustible materials on the bus will result in the student's automatic suspension from bus transportation.
- The emergency door at the rear of the bus is for emergency use only; tampering with the emergency door will result in the student's automatic suspension from bus transportation.

Field Trips

Field trips are considered an integral part of the school's educational program and a

valuable learning experience for students. Field trips are scheduled at various times during the school year. In advance of the trip, a permission form, required by the Archdiocesan Department of Catholic Schools, is sent home. A student will be permitted to attend the trip only if the permission form is signed by the parent/guardian and returned to the teacher by the specified date along with any fee. All students must travel to and from the field trip destination with the class on the bus.

If, for some extraordinary reason, a student is unable to participate, the student is expected to attend school on that day and fees must still be paid since the rates we are quoted reflect total participation. The teacher(s) will supply work, and the student will be assigned a classroom in which to work under the supervision of a staff member. If a student is unable to attend because of illness, we cannot promise a refund. The teacher must be notified if a child will not participate in the field trip experience. Students who are kept home from the trip will be marked absent.

Parent(s)/Guardian(s) are encouraged to participate as chaperones on field trips as the need arises. However, because of safety and liability factors, pre-school siblings and other school-age siblings are not allowed. We do not permit parents not selected as chaperones to join the group at the trip destination as this creates confusion. All chaperones must be Virtus Certified.

Admissions Policies

Our Lady of Perpetual Help School is first and foremost a Catholic school that strives to provide quality education in an atmosphere informed by Gospel values.

Any student interested in pursuing an education in such an atmosphere, and willing to meet the religious, academic, social, and behavioral standards of Our Lady of Perpetual Help School may apply to become part of the school community.

No child will be denied admission on the basis of race, color, sex, national origin, religion, age, disability or handicap, gender identity or expression, or protected activity. Admission of any student is based on the willingness and ability of the student to meet the religious, academic, social, and behavioral standards of Our Lady of Perpetual Help School and on the school's ability to meet the child's needs.

New Pre-K through 8th grade students are admitted on a space available basis with priority given to qualified siblings of presently enrolled students, Kindergarten applicants deferred from the previous academic year, followed by parishioners, and then non-parishioners. Parents of potential Pre-K and Kindergartners are asked to complete a questionnaire, which helps in the admission process.

Admission decisions are determined by the Principal, under the advisement of a committee composed of (but not limited to) the guidance counselor, Marian Program Director, reading specialist, and classroom teachers.

All admission decisions are conditioned on the receipt of all required and requested documentation. No admission decision is final until all documentation is received.

Admissions Requirements

Age:

- To enter preschool, the child must be four years old by September 1.
- To enter Kindergarten, the child must be five years old by September 1.
- To enter Grade 1, the child must be six years old by September 1.

Documentation:

- Birth certificate and Social Security card
- Baptismal certification and proof of receipt of other sacraments depending on age (if Catholic)
- Record of required immunizations
- Physical examination form
- For all students PK-8: Our registration fee is \$250 and is divided into two parts. A \$125 fee is due the day of screening/testing and is non-refundable regardless of whether the child is accepted, or declines offer of admission. The balance of the registration fee, another \$125, is due once the child is accepted.

Academic:

For prospective Pre-K and Kindergarten students

- acceptable performance on BRIGANCE screening.

For prospective students in grades 1-8:

- acceptable performance on most recent standardized tests;
- acceptable performance on reading, math and writing skills tests administered at Our Lady of Perpetual Help;
- satisfactory teacher and/or school administrator recommendations from current school;
- results of a one-day student visit (shadow day) at Our Lady of Perpetual Help School;
- complete transcript from current school.

Students are initially placed using the results of a school administered placement test, teacher recommendations, report cards/progress reports, and/or standardized test results.

Probationary Period for Transfer Students

Transfer students are admitted subject to a renewable probationary period of one marking period in length.

At the conclusion of the first full marking period following admission, the student will be evaluated on his or her ability and willingness to meet the religious, academic, social, and behavioral standards of Our Lady of Perpetual Help School and of the school's ability to meet the needs of the student. The school may determine at this time that the admission is final, that the probationary period must be extended for an additional marking period, or that the student should be placed in another school. Such a recommendation would occur only after conferences with the parents or guardians. The probationary period may be extended for a maximum of two more marking periods. At the conclusion of such extension(s), a final decision on admission must be made.

Withdrawal

A family that withdraws from the School remains responsible to pay all tuition due on an annualized basis through the date of withdrawal in accordance with the payment policy established in the payment section.

When a student is withdrawing from the school, the parent/guardian must:

- Inform the school in writing, in a timely manner.
- Return all school property, including textbooks and library books.
- Ensure that all financial obligations to the school are met.
- Sign a release of records form.

Financial Information

Tuition rates are set annually by the School Board. Consistent with Archdiocesan policy and recognizing the importance of making Catholic school education available to all qualified students, the parish has established a tuition assistance plan and apportions funds for tuition assistance annually. Application packets are made available through the school, on the website, or in the Parish office. Decisions about tuition assistance are made on the basis of evaluation of financial need by a Tuition Assistance Committee in consultation with the Pastor. This process is carried out in the spring of the school year for the following year.

Only parishioners are eligible for parish financial assistance, and all Catholic families of Our Lady of Perpetual Help School are welcomed and encouraged to become members of the Parish family. In addition, the Archdiocese of Baltimore makes tuition assistance available on a limited basis for some families who apply. The information on this process will also be made available in the Spring.

Scrip Purchase Policy

The Scrip program raises funds by allowing families to purchase at face value from a selection of hundreds of different types of gift cards, with a percentage going to the school. Thus, there is no cost to the family. All families of students attending Our Lady of Perpetual Help School (including those receiving tuition assistance or full or partial tuition remission as part of employee fringe benefits) must participate in the Scrip program. Each family must purchase a minimum of \$2400 in gift cards annually, based on purchases from June 1 through May 31 of the following year. Families may opt out of the program by paying a flat fee of \$150. Families who do not opt out, but do not make the minimum purchase amount will be assessed a prorated amount of the annual fee at the end of the school year based on the amount purchased.

Scrip is ordered online through www.shopwithscrip.com. Each family must enroll using the school's ID code, which can be obtained from the school office. Payment may be made by mailing or sending a check into school and must be done in advance of the order being placed by the scrip coordinator. Payment may also be made online by setting up a PrestoPay account at shopwithscrip.com. Orders are placed once a week and are available for pickup at school or may be sent home with the student later in the week.

Family Service Plan

Purpose

The two purposes of the OLPH Family Service Plan are: first, to help OLPH School by having parent volunteers assist in activities that occur during the school day or are considered school-sponsored enrichment activities and second, to enlist parent volunteers in helping the School to reach its fundraising goals.

Overview

The OLPH Family Service Plan requires each family to perform 30 hours of service

(15 hours per family with a single, disabled, or deployed parent) from a predetermined list of activities. The School Board and the Principal may approve other activities on a case-by-case basis. The Family Service Plan year begins on June 1st and ends on May 31st. Families that fail to complete the required 30 (or 15) hours of service by May 31st will be required to pay a fee.

Family Service Plan Fee

A family unable to complete any service hours will be required to pay a \$750 fee (30 hours X \$25 = \$750). This fee will be reduced by \$25 for every hour of service completed. Likewise, a family with a single, disabled, or deployed parent will be required to pay a \$375 fee (15 hours X \$25 = \$375). This fee will also be reduced by \$25 for every hour of service completed.

Families of students enrolled during the course of the school year can have their hours reduced by contacting the HSA.

Record Keeping

It is the responsibility of each family to maintain an accurate record of service hours. Each family will maintain their Family Service Record on The OLPH Volunteer Center. To sign up as a volunteer, go to the Parents tab on the OLPH School website and click on Volunteer Hours. To log hours, go to trackitforward.com and sign in using your account name and password. The complete instructions for Track it Forward are located on the volunteering page of the OLPH School website. Hours that are not entered into The OLPH Volunteer Center within 30 days of the service will not be counted toward your Family Service Hours. The OLPH Volunteer Center will only allow hours to be entered within 30 days of completion. No exceptions can be made after 30 days have passed.

Once your family has submitted 30 service hours, you will receive confirmation that your hours are complete. No additional tracking is required.

Fees

Registration fees, Archdiocesan fees, Chromebook, and HSA fees are determined annually and are not refundable.

Registration

Registration takes place annually, generally within the first two weeks in February. Registration is necessary to ensure continuation in Our Lady of Perpetual Help School. The cost of registration is presently a non-refundable fee of \$250 per family. Students not registered by March 10 may have their names removed from the school roster.

Tuition Payment

The school collects tuition in order to provide educational and student services to every child while they are enrolled at OLPH. Therefore, all tuition is due in a timely

manner and is non-refundable.

A copy of the tuition scale is given to each family annually in February. Payments are due on the 10th of the month, beginning with the month of May for the subsequent academic year. Tuition payments may be made in full, quarterly (May, September, December, March), or 10 monthly payments (May – March). All tuition and fees for the year must be paid in full by March 10. Payment of tuition is made through FACTS (www.facts.com), and families enroll in the spring for the following school year. A fee is charged for enrollment in quarterly and monthly plans but is waived for families choosing to pay in full in May.

Payments after the 10th of the month are late payments and will incur a charge to be paid to FACTS. This fee does not count toward payment of tuition and the school does not receive this money. Payment of fees is also collected in FACTS.

Failure to Meet Financial Obligations

It is our policy to provide tuition assistance to the maximum extent possible and to resolve situations of temporary or ongoing financial difficulty and inability to remain current in meeting the financial obligations to the School, on a mutually cooperative basis with parents and guardians.

Our Lady of Perpetual Help School reserves the right to refuse to provide any official school records, including report cards and diplomas to parents or guardians or to other educational institutions until all tuition, fees, and other financial obligations to Our Lady of Perpetual Help School are satisfied. The School will consider requests for exceptions to this rule on an individual basis only if extraordinary circumstances are demonstrated.

A student may not begin the school year unless prior financial obligations have been met and tuition payments due in summer are up to date.

The School reserves the right to suspend a student on the 15th of the current month for a period of up to five school days if financial obligations from prior months have not been met by parents or guardians. During the course of this suspension period, it is the responsibility of the parents or guardians to contact the School and settle the debt or make arrangements for payment. If, at the end of the five-day suspension period, financial obligations have not been met, the student may be expelled. The School will consider requests for exceptions to this rule on an individual basis only if extraordinary circumstances are demonstrated.

Attendance Policies

School Hours: 8:55 a.m. – 3:35 p.m.

Students are permitted to enter the school at 8:30 a.m.

Students are dropped off by buses or as car riders in the morning at the side door of Harrison Hall. In the afternoon, buses pick students up in front of the school and car riders are picked up on the lot outside of Harrison Hall. Cars are not to be driven past the front of the school or turned around and driven out the entrance during afternoon dismissal. For everyone's safety, it is necessary for drivers to follow the directions of the faculty member in charge on the parking lot during dismissal.

Absence

Regular attendance is considered essential for learning at OLPH School. Students are encouraged to develop the work habits and responsibilities required of all in regular punctual attendance. When a student is absent from school, a parent/legal guardian must email or telephone the school between 8:30 and 9:30 to report the reason for absence. All absences and tardiness become part of a student's permanent record. Absence from school during the academic year due to family vacations is strongly discouraged. Missed work and assignments may only be obtained upon return.

Students who are absent from school may not participate in any after school or evening school sponsored events such as sports, dances, etc.

When he/she returns to school, the student must bring a written note to his/her homeroom teacher signed by a parent/legal guardian stating the reason for absence. The school requires a doctor's note for absences due to illness or injury or need for assessment/evaluation that exceeds three days. A child may not return to school until he/she is well enough to participate in all school activities. If a student will be out of school for an extended period, whether continuous or intermittent, parents should consult with the administration regarding appropriate support of the student in fulfilling the school curriculum or alternative arrangements such as home and hospital services through the local public-school district.

Arrangements should be made at that time for the student to get any materials or homework assigned that day. The school office will inform the homeroom teacher of these arrangements. If books and materials are to be sent to the office, it is expected that the parent will pick these up by 3:30 p.m. If books and materials are to be sent home with a sibling or neighbor, care should be taken that a younger child not be expected to carry an unreasonably heavy load onto the bus.

Ttruancy

Ttruancy is defined as a student absenting him/herself from school without parent/legal guardian permission or leaving school grounds without permission during the school day. Ttruancy may result in disciplinary action up to and including suspension or expulsion.

Llateness

Students may enter the school at 8:30 and their homerooms with direction from their teacher. The school day begins at 8:55. Any student arriving after 8:55 is considered late and must report to the office with their parent/guardian for a late slip. Tardiness is entered on a student's permanent record. It is the responsibility of the student to check with the homeroom teacher to receive the necessary communication or work that may have been missed due to lateness.

Early Departure/Late Arrivals

The school discourages early departures and requests that families arrange medical and dental appointments, etc. after school hours, on early dismissal days, or during vacation periods. Check the calendar for days when school is not in session. Students who arrive after 10:00 a.m. or leave before 2:00 p.m. are marked as present for a half-day only. Students who leave after 2:00 p.m., but before 3:30 p.m., are marked as leaving early.

Regular Dismissal

In compliance with the Archdiocese of Baltimore, on regular school days Our Lady of Perpetual Help School admits students at 8:30 a.m. and dismisses students beginning at 3:35 p.m.

It is important that families pick up their child/children on time on a regular basis. Students not picked up by 3:45 p.m. on a regular schedule or 12:45 p.m. on an early dismissal day will be sent to Angels After Care and the parents will be charged for the service. In the case of a prolonged delay in pickup, if parents/guardians cannot be reached, the Howard County police and/or Department of Social Services will be notified.

If the student is participating in a scheduled supervised activity before or after the hours stated above, specific arrangements must be made for drop-off and/or pick-up at the designated times. If children are participating in before school care or in the after-school day care program, parents must comply with the rules established by the programs for dropping off or picking up children.

Parents are required to follow the times stipulated when dropping off or picking up students. The school is not responsible for supervision of students before or after the times stated above. The school is not liable for any injuries or accidents that may occur before or after the times stated above. If the student is participating in a scheduled, supervised activity before or after the hours noted above, specific arrangements must be made for drop-off and/or pick-up at the designated times. If children are participating in before or after school care, parents must comply with the rules established by the program for drop-off and pick-up.

Early Dismissal Days

On early dismissal days, the school admits students at 8:30 a.m. and dismisses students beginning at 12:35 p.m. Times for other early dismissal days determined by the Archdiocese or the school will be announced and communicated in writing and on the school web site.

Bus service may be provided to and/or from school on early dismissal days. Parent pickup is necessary at the end of the day if Howard County Public Schools are not also closing early. Check the school calendar for updates on bus service. Note: school is not in session for the students on professional full days.

Before and After School Care Programs

Before School Care: Students may not be dropped off at school before 8:30 a.m. unless they are going to morning care. To accommodate parents who need to drop their children off before 8:30 a.m., morning care is provided in Harrison Hall between 7:15 and 8:30 a.m. For fee and other information, please contact the school office or the director, Ms. Liz Brasauskas (lbrasauskas@olphschool.org).

An after-school day care program is offered by Mrs. Martina Kerns, a licensed provider. The Angels After Care program operates between the hours of 3:35 p.m. and 6:00 p.m. Details on the program are available directly from Mrs. Kerns. Please call 410-744-4251 x206.

Excused Absences - Perfect Attendance

Perfect attendance means no unexcused days absent and no unexcused lateness. This includes early dismissal for any reason, including non-emergency doctor and dental visits, and being sent home because of illness. Final determination of excusal is in the discretion of the administration.

On days of excused absence, the student is marked excused from school and this will not preclude the student's reception of a perfect attendance certificate at the end of the year if no other days are missed. Eighth grade students are permitted two days of excused absence to attend shadow days at a prospective high school. Seventh grade students are discouraged from scheduling shadow days and are not excused. Students attending leadership conferences held by high schools are excused. "Take your child to work day" will only be considered excused if parents inform the school ahead of time. It is preferred that parents not take children out for this reason as it may be disruptive to a class.

Reasons for excused lateness are a bus/car breakdown, or an emergency Doctor or Dentist appointment; either of these would not preclude the student's reception of a perfect attendance certificate.

Family Vacations

The school strongly discourages the taking of family vacations when school is in session. Students who are absent for such vacations are missing important instructional time that cannot be made up. Teachers are not expected to give out assignments, tests, or any other materials in advance. Arrangements for work missed during the absence must be made in accordance with the policy of the teacher and the administration, within a time frame deemed appropriate by the school.

Positive Behavior and Behavior Policies

Statement on Philosophy of Discipline

OLPH School strives to develop responsible, courteous, self-disciplined boys and girls whose pride in themselves, their parents, their school, and their community is reflected in their behavior. The development of such young people requires a consistent practice of thoughtful, responsible behavior during these formative years. Students are made aware that they are an integral part of the faith community and that their actions affect themselves as well as the entire community. The ultimate purpose is to develop true Christian character and a sense of responsibility: to establish an atmosphere conducive to academic excellence; and to protect the welfare of the individual, as well as the school community.

Positive rewards, as well as disciplinary consequences, are a part of these plans. Students will be given paper “wings” for random acts of kindness and Catholic charity. These wings will accumulate and yield individual and group benefits throughout the year. To earn their “wings,” students demonstrate respectfulness, responsibility and kindness.

Students may be disciplined for conduct that occurs on school premises or at school-sponsored events, or for other conduct that adversely affects the interests or reputation of the school regardless of where the conduct occurs.

PBIS

The Archdiocese of Baltimore has implemented an evidence and research-based Anti-bullying Program, Positive Behavior Intervention and Support (PBIS). PBIS is a comprehensive framework in which schools focus on our Christ-centered teachings and values to create nurturing, safe, positive, and supportive learning environments. Consistent school-wide expectations are visible throughout the school and students’ positive behavior is acknowledged and celebrated. The PBIS framework adopts behavioral interventions into an integrated continuum that is designed to enhance academic and behavioral outcomes for every student.

The Positive Behavior Intervention and Supports (PBIS) method for promoting positive, respectful, and responsible behavior is used at OLPH School. Through a variety of positive incentives, students are encouraged to be the best they can be.

Behavior

To maintain a positive learning environment and standards that are consistent with our Christian philosophy, it is essential that students exhibit a sense of responsibility and respect for themselves as well as others. Listed below are some behaviors that are unacceptable:

- Disrespect in manner and/or language
- Rowdiness

- Using the property of others without permission
- Dishonesty
- Disruptive Behavior
- Failure to have necessary supplies for class work
- Dangerous Play
- Rudeness
- Vulgarity
- Dress code violations
- Gum
- Harassment of any kind by word or manner
- Possession or consumption of any drug or look-alike drug while at school or while attending a school function
- Possession or consumption of alcohol while at school or while attending a school function
- Possession of knives/weapons or look-alike knives/weapons
- Possession of pornographic material(s)
- Smoking/using matches
- Willful destruction of school property
- Leaving school property without permission
- Theft or extortion
- Fighting or threats of violence
- Harassment

Consequences

Generally, the teacher will deal with infractions in the classroom. Should circumstances warrant, the parent and/or the Administration involved will be consulted. In cases of serious or repeated violations, students may be subject to disciplinary suspension or expulsion. The school's fair procedure to be used in cases of possible suspension or expulsion is as follows:

If the behavior is unable to be corrected within the classroom, students will be assigned a developmentally appropriate lunch detention and conference with an Administrator. If the behavior continues after this level, parents may be called in for a conference with an administrator and classroom teacher. For older students, continued misbehavior may warrant a morning detention before school starts. Repeated before/after school detentions will result in further disciplinary action.

Suspension

The administrators reserve the right to suspend a student from school for seriously disruptive behavior and for repeatedly failing to follow classroom and/or school rules. Actions resulting in suspension may include, but are not limited to:

- Disrespect to teachers, staff, or parent volunteers
- Obscene language, gestures, or written/printed/electronic material
- Stealing, lying, plagiarism, or cheating (including copying any work from another student)
- Physically hurting, bullying, harassing, threatening, or intimidating students
- Displaying violent behavior

- Vandalizing school or church property
- Possessing dangerous objects harmful to people or property
- Inappropriate use of technology as defined in the OLPH and/or Archdiocesan policies
- Any outside of school action which violates school rules and/or adversely reflects on OLPH School or its community
- Receiving repeated detentions

Procedure:

- Suspension will result in an immediate phone call to the student's parent who must come to school for a conference with the Administrator and take the student home for a specific period of time.
- At the end of the suspension, the parent must sign the student in for readmission.
- While a student is serving suspension, he/she will be expected to find out about and turn in any homework due on the day he/she returns and take any tests/quizzes given during the suspension on the day of his/her return.
- A student serving suspension may not attend school functions or participate in extra-curricular activities until readmitted.

While on suspension, the student is still responsible for missed work. After the specified amount of time for suspension, which shall not exceed three consecutive school days, the student and the parent(s)/guardian(s) will meet with the Administration for reinstatement. The Administration reserves the right to determine the conditions for reinstatement.

Expulsion

When expelled, the student is not allowed to return to Our Lady of Perpetual Help School, in accordance with Archdiocesan guidelines. Expulsion is exercised in, but not limited to, the following circumstances:

- Using or possessing weapons, drugs, tobacco, alcohol, or other substances on school grounds or at any school or parish function
- Physically or sexually assaulting any person
- Participating in a robbery, arson, or other criminal act
- Receiving repeated suspensions or any action which might otherwise result in suspension but is deemed of a more serious degree or nature

An expelled student forfeits all privileges of the OLPH School student. The Administrator reserves the right not to re-admit an expelled student at a later date. If a student is to be expelled, the student is entitled to a prompt review procedure established by the Department of Catholic Schools. A written request for review must be submitted to the Superintendent of Catholic Schools within 10 working days of the notice of intent to expel. Parents are given the option to withdraw the student in lieu of expulsion.

Alcohol and Drugs

The possession, use, or distribution of any number of alcoholic beverages, drugs, intoxicants, or related paraphernalia are not permitted on campus, school buses or vehicles, or at any school-sponsored activities. Students in violation of the school

policy regarding alcohol and drugs, or who exhibit the effects of alcohol and drugs, or who are with others in violation of this policy are subject to the most severe disciplinary action by the school administration. The offending students are also subject to the laws of the State of Maryland in this regard. As authorized by the Annotated Code of Maryland, the school reserves the right to conduct a reasonable search of a student and the physical plant of the school. The school reserves the right to demand disclosure of any prohibited materials the student may have in his/her possession.

Search and Seizure

OLPH School reserves the right to search school property (e.g., lockers, desks), a student's belongings, and areas under the student's control in order to enforce school policies, rules and regulations or otherwise to preserve a safe and orderly learning environment.

Conflict Situations

Conflicts are a normal and healthy part of living and growing. The Administration will implement acceptable conflict resolution techniques to work towards a solution.

Health and Safety Related Policies

OLPH School is in compliance with the Maryland Occupational Safety and Health Regulations concerning drug safety, blood-borne pathogens, asbestos, lead, mercury, and radon. An emergency response plan compliant with the Howard County Public School System is in place and an emergency response team, including administrators, teachers, nurses, office staff, and facilities manager has been trained.

AHERA

In October 1986, the U.S. Congress enacted the Asbestos Hazard Emergency Response Act (AHERA). Under this law, comprehensive regulations were developed to address asbestos problems in public and private elementary and secondary schools. These regulations require most schools to inspect for friable and non-friable asbestos, develop asbestos management plans that address asbestos hazards in school buildings and implement response actions in a timely manner. Our program for fulfilling these responsibilities is outlined in our asbestos management plan. This plan contains information on our inspections, re-inspections, response actions and post-response action activities, including periodic surveillance activities that are planned or are in progress. The plan is kept in the principal's office and may be viewed upon request during normal business hours.

Abatement of Suspect Materials Containing Asbestos- Abatement of materials in the building has taken place and the air quality results remain within all regulations.

Maryland School Immunization Requirements

A child may not enter school, unless he/she has submitted an official immunization record or other appropriate documentation of immunization status. The immunization record must have the month, day and year of each vaccination and be signed by a physician or health department official. In the case of religious objection or medical contra-indication, form DHMH 89, must be submitted and kept on file and be approved by the school. Exempted students are to be excluded from school if there is an outbreak of the disease for which they are not immunized.

Dispensing of Medication

The administration of medication in school is discouraged. However, if a student's physician recommends that the student receive prescription or over-the-counter medication during the school day, a written order from the physician is required. Medication can only be dispensed with a written order from the student's physician, specifying start and stop date. The original medication container including boxes for EpiPen's as well as inhalers must be brought to the school. These containers or boxes should include the following: name of medication, directions for use, time for dispensing, name of doctor ordering the medication, date of prescription, expiration date as stated by the pharmacist, strength of medication/dosage, and student's name and grade.

Students may not possess, dispense or distribute medication on their own. All medication must be delivered to school by a parent/guardian. Cough drops may be administered with a note from parents. Cough drops should be brought to school in the original package in a sealed plastic bag with the student's name on it. The package should be brought to the Nurse's Office to be administered by the Nurse.

THE FIRST DOSE OF ANY NEW MEDICATION MUST BE GIVEN AT HOME. Medication and the physician's specific instructions for administration of it are kept locked in the school office. The school nurse administers the medication. The parent/guardian should arrange to pick up any unused medication at the year's end. The policy for over the counter (OTC) medication is according to standards that are mandated by the Howard County Health Department and the Nurse Practice Act of Maryland. OTC medications cannot be dispensed without the written consent of the parent and the child's physician. Our Lady of Perpetual Help School will no longer stock over the counter medications (OTC). In the event your child would need an OTC medication, a medication order form must be completed by your child's physician and it is the parent's responsibility to provide the specified medication in its original packaging. Parents are always notified when their child has received an OTC medication from the School Nurse.

Communicable Diseases

Parents must call the school if their child is diagnosed with a communicable disease. The school must notify their county Health Department. All reports are confidential. Reportable diseases include the following:

- | | |
|---|-----------------------|
| Measles – regular or German (Rubella) | Tuberculosis |
| Whooping Cough (Pertussis) | Meningitis |
| Rocky Mountain Spotted Fever | Hepatitis |
| Human Immune Deficiency | Food Poisoning |
| Virus Infection (AIDS and all other symptomatic infections) | Mumps |
| Adverse reactions to Pertussis Vaccine | Lyme disease |
| Chicken Pox (varicella) | Animal bites / Rabies |
| | Influenza |

Any student with drainage from the eyes associated with conjunctivitis (pink eye) must be kept at home until under treatment from a doctor. A doctor's note will be required for readmission to school. Students who have chicken pox are excluded from school until all lesions are scabbed over.

Health Records

Parents are required to complete a Health Form listing any allergies, serious medical conditions, medications, and emergency contact information. According to the Maryland state law, a physical must be completed within nine months prior to entering or six months after entering school. The school must be notified of any changes that occur during the school year.

Head Injury

If any injury to the head or any other serious injury occurs to a student, the nurse will call the parent and send home a report. The report is to be signed by the parent/guardian and returned to school. If the parent/guardian or alternative contact

person cannot be reached in an emergency, the school will contact police/ambulance for assistance.

Insurance

The school provides the option for parents to purchase health insurance for their children.

Allergies

Parents must notify the school of their child's allergies including food allergies. School medication orders must be renewed each year by the physician and the order must be signed on or after July 1. If the student carries an EPIPEN or inhaler with them, the physician must state this requirement on the order.

There is an allergy free lunch table provided in Harrison Hall for those children with severe allergies whose parents wish to have them sit at this table. Friends of students may also sit at this table after agreeing not to send in products with allergens such as peanuts, and nuts for the entire school year. Parents who wish for their child to sit at this table are required to contact the School Nurse and complete an allergy table form. Students cannot sit there without a completed form signed by a parent. We strongly encourage all parents to avoid packing lunches with peanut products, especially peanut butter, to minimize possible exposure to children with peanut allergies, as these allergies may be life-threatening. Students are not permitted to share lunch items with other children.

As you know, we have students within our OLPH community who have a variety of moderate to severe food allergies. Only room parents and teachers can coordinate with the school nurse for special class events involving food. You may also take advantage of 8th grade ice cream sales for class events since those items have been pre-approved. A food approval form must be completed for all school related events occurring within the normal school day hours. This form is available online as well as in the Nurse's Office and must be submitted one week prior to the event.

We would also like for you to consider non-food items for class treats, especially to celebrate your child's special day. Ideas include bubbles, games or activities to share with the class, gel pens, decorative pencils, or stickers.

As of 10/13/15, OLPH has adopted a policy allowing the availability of stock epinephrine in the health suite for use in the event of an anaphylactic emergency. This epinephrine is for emergency use during normal school days and is not dependent on allergy history. It is not available outside of normal school hours or on field trips. Students with a known history of severe allergies are still expected to maintain emergency action plans, medical orders, and their own supply of emergency medication.

Blood borne Pathogens

A complete Blood borne Pathogens Standard Exposure Control Plan has been established by the school and can be found in each Faculty Handbook and on file in the Office.

Vision/Hearing Screening

The school follows the directives of the Howard County Health Department and responds to parent's requests for individual testing. This testing is usually done for all students in Grades PreK, kindergarten, 1, 4, and 8 as well as for new students in all other grades.

Emergency Procedure Sheet

Every student must have an emergency procedure sheet on file in the school office. Sheets are sent home at the beginning of the school year and must be returned promptly. The office should be notified immediately of any change in address or phone numbers during the school year.

School Day Illness/ Injury

Children with vomiting and/or diarrhea should remain home for 24 hours after the cessation of these symptoms. Students who are ill and have a temperature over 100 degrees orally should remain at home until the temperature has been normal (while not using Tylenol, Advil, or other aspirin substitute) for 24 hours.

If a student is sent to the office and has a fever, is complaining of not feeling well, or is injured, his/her parent/guardian will be called and asked to pick the student up from school as soon as possible. Parents/guardians must designate in writing anyone else who is permitted to take the student home.

If any injury to the head or any other serious injury occurs to a student, the nurse will call the parent and send home a report. If the parent/guardian or alternative contact person cannot be reached in an emergency, the school will contact 911 for emergency assistance.

P.E. Participation

Students are expected to participate in physical education classes when scheduled. If for some medical reason a student cannot participate, the parent/guardian must send a written note to the P.E. teacher requesting excuse.

Child Abuse and Neglect Reporting Policy and Procedures

Maryland law requires that all educators and other school employees, including volunteers, report suspected child abuse or neglect to the proper authorities in order that children may be protected from harm and the family may be helped. Our school policy supports Maryland laws in this regard and requires that all school staff report suspected abuse and neglect to the Department of Social Services, Protective Services Division, and/or the local police department, as well as to the Principal.

Virtus/Raptor System

In order to ensure a safe environment for your child, all school doors will remain locked during the school day. All visitors must report to the front office with a government issued ID. The Raptor Sign-In system that is used in the front office conducts an immediate check against the registered sex offender database and keeps digital records of all sign-ins (raptortech.com). The system then prints out a sticker badge to be worn by all visitors during their time in the school.

Parents may not accompany students to the classroom for drop-off.

Playground/School Supervision Provisions

Students are supervised at all times during the school day. Students are expected to follow the directions of the adult that is responsible for their safety (faculty, staff, or volunteer). All teachers, staff, and volunteers have the authority to enforce playground and lunchtime rules. The students are advised of these rules, and any student in violation of the rules during lunch, indoor, or outdoor recess is subject to disciplinary action. Such consequences may include being sent directly to lunch detention.

Students must leave the building promptly after the teacher on duty and/or lunch parent dismisses the class for lunch recess. Students may not return to the classroom or to any bathroom other than those in Harrison Hall during lunch and recess. Students may not have any type of practice in Harrison Hall or use the computer lab during lunch and recess without teacher permission and adult supervision.

Use of School Grounds and Supervision

Parents are required to follow the times stipulated when dropping off or picking up students. The school is not responsible for supervision of students before or after the times stated above. The school is not liable for any injuries or accidents which may occur before or after the times stated above. If the student is participating in a scheduled, supervised activity before or after the hours noted above, specific arrangements must be made for drop-off and/or pick-up at the designated times. If children are participating in before or after school care, parents must comply with the rules established by the program for drop-off and pick-up.

Student Services

Educational Testing Referral Process

If a child is not progressing academically, the school may ask the parents to initiate or the parents may initiate on their own, the process to request professional assistance from the local public-school system. The evaluative process is generally called the IEP Process (Individualized Educational Plan) and begins when a parent/guardian calls Child Find. Following the initial phone call to the Local Educational Agency (LEA) Child Find, parents/guardians are given an initial meeting date within 30 days. At this initial meeting, parents/guardians and school faculty are invited to share their concerns, present information, and discuss whether an evaluation will take place. Catholic school staff, in particular the student's teacher, are a vital part of the process.

If an evaluation is deemed warranted and takes place, recommendations and an academic plan are developed and given to the parents/guardians at the summative meeting following the academic evaluation.

If such a plan is developed and the test results determine that there is a need for accommodations and/or modifications within a student's learning environment, the school administrator will consult with the parents/guardians to determine what accommodations, resources, plans, and school placements may be implemented. When appropriate, a Student Accommodation Plan is developed at OLPH School with concurrent enrollment in the Marian Program (if available).

Cellular phones and other electronic devices

The school discourages students from bringing and will not be responsible for any cell phones, smart watches, electronic readers, game systems, or other electronic devices brought to school.

- If parents/guardians feel that it is necessary for a student to bring a cell phone to school, the phone must be turned off during school hours and stored in the student's backpack. They are not to be taken out of the backpack during school hours at all or on the bus except in an emergency. Phones and any other devices may not be used to take pictures at any time, including on the bus, and photos taken elsewhere are not to be shared.
- No pagers are permitted.
- No laser pointers are permitted.
- No cell phone, PDA, game system or other device may be used for Internet access or texting.
- No CD, DVD, or MP3 players (including iPods) are permitted in school or on the school bus.
- Use of handheld games is no longer permitted, including indoor recess. (After school use is strictly at the discretion of the supervising personnel)

- Any device inappropriately brought in or used will be taken from the student and locked in the Principal's office until parent/guardian picks it up.

Extra-curricular Activities

Several extra-curricular activities are offered for students throughout the school year. Information is sent home via email, Angel Ink, and white envelope. Please contact the sponsoring teacher for more information.

Guidance and Counseling

The counseling program exists to offer students opportunities to learn to become well-rounded and successful individuals through classroom lessons, guest speakers, lunch groups, etc. to. Character building exercises enhance their individual personalities and overall social and emotional development. The counselor also works with the teachers creating cross-curricular activities that address the needs of the class. The program will be made up of four essential components that build the foundation for an individual: academic, social/personal, occupational and spiritual.

Lost and Found

The school is not responsible for personal articles. Articles found in the building or on the playground are held in the office for about one week. Unclaimed articles are donated or disposed of. All personal items and clothing should be marked with the student's name so they may be returned to the owner if found.

Lunch/Snack

- No food or drink, except for a water bottle, is permitted in the classrooms. Special treats, such as birthday treats, will be distributed in Harrison Hall at lunchtime. Due to allergy concerns, non-food treats are preferable. Parents may purchase ice cream for the class during lunch.
- Students who arrive early for morning care are encouraged to bring a healthy snack or breakfast item. These may be eaten in Harrison Hall before 8:30 a.m.
- Students usually bring lunch and eat in Harrison Hall. The Home and School Association sponsors several special luncheons throughout the school year, which are held in the gym.
- Students eat on two lunch shifts -- first shift for Grades 4-8 is from 11:30 a.m.- 12:15 p.m. and second shift for Grades PK-3 is from 12:20-1:02 p.m.
- Hot Lunch is available every day at school for families who have placed orders online. Abundance Catering serves 4 days per week and Chick-fil-A serves once a week. The menu is posted online, and orders are due in advance. You may access online ordering at this link:
<https://abundancecateringcompany.h1.hotlunchonline.net>
- Chewing gum is never permitted in school or on school grounds, including before and after school and at lunchtime, and on the bus. Students chewing gum receive disciplinary consequences.

Money

The school cannot be responsible for the loss of any money. Students should not carry large amounts of cash to school and should not collect money from other students. If a collection is being taken up for some purpose, a room parent should be certain that money is sent directly to him/her. All money being collected for school purposes is channeled through the homeroom teacher to the office. Payments of any kind should be placed in a sealed envelope, marked with the student's name, grade, and purpose for the money. The student should give the envelope to his/her teacher at the beginning of the morning.

Returning to the classroom after school

Students and parents are not permitted to return to the classroom after school to retrieve forgotten materials, whether or not the building is open for Religious Education classes and regardless of the student being enrolled in Angels After Care. Students and parents are also not permitted to enter the classrooms early before the start of school.

Scholarships

Catholic students in Grades 4 and 8 may apply for the Marion Burk Knott Scholarship, based on report card grades and Archdiocesan standardized test scores. Eighth grade students are encouraged to try for high school academic and music scholarships.

The Student Council sponsors the Michele Keeney and Caroline Herrmann Scholarship, in memory of two of our alumni. This \$500 scholarship, awarded to a seventh grader toward his/her eighth-grade tuition, is based on a written, judged essay. They also sponsor the Barbara Coakley Award, a \$500 award named for a beloved former OLPH principal. This is a special honor given each year to a graduate nominated and voted upon by the faculty and staff, who in their eyes best exemplifies Miss Coakley's characteristics of kindness, generosity of spirit, and dedication to OLPH School.

The Sliker family sponsors the Prayer Scholarship in Memory of Christopher Sliker. At the tender age of 5, Christopher succumbed to a rare form of brain cancer, and the Sliker Family offers a scholarship in his memory to promote, educate and foster a prayerful life. Students in sixth grade are asked to express the importance of prayer in their lives through an essay. Essays are judged by a committee of pastoral and religious outside the OLPH faculty and administration of the school, and one recipient is selected to receive a \$50 check and \$500 scholarship toward tuition for 7th grade year.

The Marks family sponsors the Michael Marks Team Player Award. Michael Marks, alumnus of the class of 2005, tragically lost his life in an automobile accident in June 2013. This award of \$100 is presented to an 8th grade girl and 8th grade boy who have consistently exhibited Mike's traits of healthy competitiveness, sportsmanship,

and leadership on and off the field.

Recipients of these scholarships and awards also have their names inscribed on the plaques that reside in the school lobby.

Telephone

Neither a student nor a teacher will be called to the telephone during the school day except in case of emergency. Teachers will be given messages. Students are not permitted to call parents to bring forgotten lunches or money, books, projects, P.E. uniforms, etc.

Work Habits, Homework, and Make-Up Work

- Each student should always have a supplemental book to read.
- The cost of replacing a damaged or lost book will be the student and/or parent's responsibility. Notebooks, folders, and other supplies must be replaced when worn or depleted. Some supplies, such as copybooks, must be purchased from the school.
- Written work is to be neat, legible, and complete.
- Students at all levels are required to do assigned homework. The suggested time to be spent on written and study assignments varies by grade. Homework is a reinforcement of the teaching presented in the classroom. Parents have the responsibility to provide a place of quiet that is conducive to study.

In the case of absence, make up work is the responsibility of the student and parents. It is expected that the absent student will keep up with the homework assigned in his/her absence. Schoolwork missed can be made up when the student returns to school, in accordance with the policies established by the teachers.

Student Dress Code

Every student in Grades PK-8 must be in complete uniform at all times. Students have the option of wearing the summer uniform from the first day of school through mid-October and from mid-April through the last day of school. It is recommended that the winter uniform be worn on any cold days within that time period. Winter dress code is in effect from mid-October through mid-April. During very cold weather, girls may wear their navy sweatpants under their jumper or skirt to and from school but must remove them for class. P.E. uniforms are worn to and from school on the student's scheduled P.E. class day.

A written note from the parent will be required to excuse a student from uniform. Failure to be in uniform without a note may result in a warning, lunch detention or in-school suspension for persistent uniform violations, as determined by the administration. Middle School students will receive appropriate discipline for uniform violations.

The official uniform supplier for the school is Flynn and O'Hara, 923 Taylor Ave, Towson, MD 21286, 410-828-4709. An additional store is located in Linthicum at Burwood Village Shopping Center, 1608 W. Furnace Branch Road, Glen Burnie, MD 21061, 410-684-2816. Flynn and O'Hara donate a percentage of money from OLPH uniform sales to the school. All uniform items should be purchased from Flynn and O'Hara. Information regarding ordering and a scheduled fitting will be sent home at appropriate times. School Activities/ Organizations

In the spirit of Christian joy, Our Lady of Perpetual Help School enjoys a cooperative approach to all student activities. Families, students, administration, faculty and staff work together within the school community, the parish community and the world. Activities aimed at developing a strong sense of social awareness, an appreciation for the fine arts and the importance of quality family-centered activities provide an essential element of each student’s education. We enthusiastically support

and encourage a variety of activities throughout the year and welcome the addition of new activities whenever possible. Some of these activities include:

- Student Council
The Student Council of OLPH School is a leadership organization of representatives from 4th through 8th grade under the direction of teacher moderators.
