

It is hard to believe that the first month of school is over! The School Nurses hope that everyone has had a successful start to the school year and settled into a good routine. We would like to thank all of our families who have returned health forms!!!

Vision screening will be held on **Tuesday, October 8th** for all students in **PK, K, 1st, 4th, and 8th** grades as well as **all new students** to OLPH this year who do not have a screening record on file. Permission slips are not required. However, if for some reason you do **NOT** want your child to be screened, please notify the school nurses in writing. If your child is not in one of the grades already included and you would like to have him or her screened, please also notify the school nurses so your child can be added.

Loyola Clinical Center will be here **Friday, October 11th** to screen students in **Pre K, 1st and 8th** grades as well as **all new students** to OLPH who do not already have a screening record. A permission slip is required for this screening and was sent home in the last white envelope. Your child will NOT be able to be screened without the signed permission form. If you need another one, please email the Nurses at [nurses@olphschool.org](mailto:nurses@olphschool.org) and we will be happy to send you another one.

As previously announced, in following with Howard County public schools and many other area schools in the Archdiocese, we will no longer stock over the counter medications (OTC) in the Nurse's office. In the event your child would need an OTC medication, a medication order form must be completed by your child's physician and it is the parent's responsibility to provide the specified medication in its original packaging to the Nurse's office. Parents are always notified when their child has received a medication from the School Nurse. If you have already turned in OTC medication forms for this school year, we will shred them.

**\*\*\*\* REMINDER-ALL MEDICATION FORMS MUST BE SIGNED BY BOTH THE PHYSICIAN AS WELL AS THE PARENT\*\*\*\***

Frequent hand washing is known to reduce the spread of disease. Please encourage your child to wash their hands frequently, especially after toileting, before eating and when ill.

Feel free to call us with any questions or concerns, and as always, we appreciate all you do to support us here in the Nurse's Office.

Sincerely,

Joelle Eikenberg, R.N.

Lynn Gibbons, R.N.

Karen Mellendick, R.N.

Dear Families,

The Box Tops for Education program is changing the way we can earn cash for our school!

Over the summer, participating brands have begun to change their packaging from the traditional Box Tops clip to the new Box Tops label.

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team has worked hard to build a NEW-and-improved, user-friendly Box Tops mobile app, available now.

The new app features state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

**BE SURE TO DOWNLOAD THE NEW APP  
OR UPDATE YOUR EXISTING APP:**

If you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, you can “double dip” during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!
